Representing Santa Fe's Most Renowned Properties

## 797 Camino del Monte Sol

This extraordinary territorial estate is secluded on the prestigious Camino del Monte Sol in Santa Fe's coveted eastside. This 9,137 square foot, 7 bedroom, 9 bath home features double adobe construction, high ceilings with vigas, a media/theatre room, full spa, inground swimming pool with open sided cabana and walled in courtyard, expansive front side, and rear portals, flagstone decking, dry-stacked rock walls, stone walkways, second floor decks, detached guest house with studio, circle driveway, three car garage, and extensive landscaping and gardens with irrigation from a private well. This luxurious property is situated between the cultural offerings of Museum Hill and the galleries and restaurants of world-renowned Canyon Road.

Offered at \$2,950,000
